

THE GORDON MOSELEY RISING STAR SCHOLARSHIP

ERICSA has established a minimum of two Gordon Moseley Rising Star Scholarships to help ensure dedicated child support enforcement workers are able to attend the annual ERICSA training conference each year. The purpose of these scholarships is to help expand knowledge of the child support program and to promote professional development. One scholarship will be awarded to a child support worker in the state hosting the conference, and the other to an out-of-state applicant. This year's annual ERICSA training Conference will be held at Sheraton at the Falls in Niagara Falls, NY from May 19 - 23, 2019.

History

The Rising Star Scholarship was championed by our dear friend and former ERICSA President, Gordon Moseley, whom we tragically lost in May 2008. The scholarship fund was subsequently renamed in his memory. ERICSA hopes that each year it may honor Gordon's legacy by sending as many deserving scholarship recipients to the annual training conference as possible.

Eligible Applicants

- Applicants must attest that they have never attended an ERICSA Conference.
- Their supervisor must attest that, should they be awarded the scholarship, they will be able to attend.
- Applicants agree to allow use of their photographic image in future ERICSA publications, including but not limited to the conference brochures.

- Applicants must agree to write a brief article about their experience at the ERICSA conference for inclusion in future ERICSA newsletters.
- Applicants must be currently employed with the Title IV-D child support enforcement program. This includes state, county, tribal and contract staff.

Scholarship

The scholarships include the following:

- Conference registration
- Hotel for Sunday through Wednesday nights of the conference
- \$120 total stipend for the conference
- Travel will be arranged by the attendee and reimbursed by ERICSA up to \$500.

Two scholarships will be awarded this year. One scholarship will be awarded to applicants from within the conference host state (i.e. New York), and the other to an applicant outside of the host state.
