

Leadership: Inside and Out

Margot Bean
Ann Coffin
Tangler Gray Johnson

Participate in a conversation on leadership development with three proven leaders in the Child Support Community. Learn the internal and external factors that contributed to the speakers evolution and growth as leaders.

Participants will be able to apply these lessons to their own professional development as they seek to advance in their organizations

INSIDE

"We have met the Enemy and He is Us!"

Inside

1. Personality - The way you think vs the way you behave
2. Experience - the way we evolve
3. Drive and Resiliency - fear of failure
4. Values - Success of above everything

Outside

OUTSIDE

1. Social Issues - Gender, Race, and Age
2. Environmental - Type of organization-
Government, Private Sector or Non-Profit
3. Education and Training
4. External - Work/Life Balance

INTERSECTIONS

Knowing when to attack and
when to retreat

The Nuances of Leadership
