

ERICSA Website Design / Content Meeting Minutes

10/20/2014

Meeting Attendees:

Christine Jennings, Carla West, Pam Sala, Elaine Poole, Tim Morrison, Michelle LeFeve, Sandi Beach, Loretta Everett, Lara Fors

Account Logins:

- Domains and logins: Who will handle the DNS change? If Courtland does this, we need the login. Sandi will get with Tim.
- Do you have Google Analytics? Tim will create generic gmail account and Courtland will link analytics to new website.

Content

Is there any new content?

- Create a 2015 menu items under Events.
- Calendar with committee calls.
- New committee documents are being sent to Tim between now and launch.
- Provide updated contract – scanned version – Michelle will send to Christine

Do you want social media icons? Add LinkedIn icon.

Member / Board Portal Area:

- Who needs access to what? [Board](#)
- What needs to be transferred? How far back in history do you want to go?
[Sandi will meet with Tim on portal area.](#)

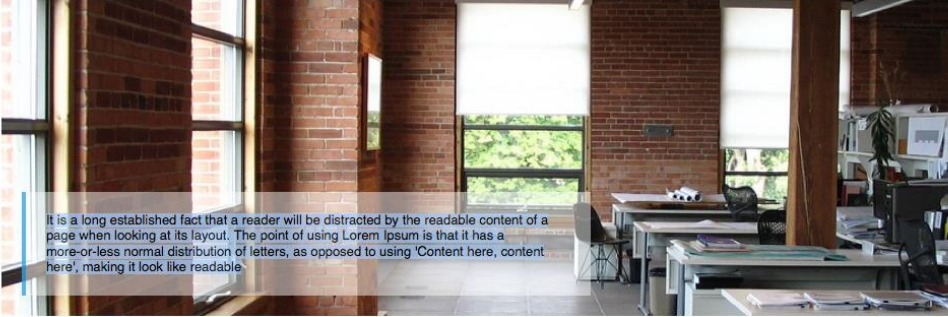

Standard Web Design Theme Templates

Please review these templates for the layout. These templates have filler content and all of the proposed sections don't need to be used in your website. The logo, colors, font and photos will be customized to the ERICSA brand. All of these designs are responsive.

Option 1 – Committee Voted #1

Introducing iPhone

iPhone combines three products — a revolutionary mobile phone, a widescreen iPod with touch controls, and a breakthrough Internet Communications device with desktop-class email, web browsing, maps, and searching — into one small and lightweight handheld device. iPhone also introduces an entirely new user interface based on a large multi-touch display and pioneering new software, letting you

It is a long established fact that a reader will be distracted by the readable content of a page when looking at its layout. The point of using Lorem Ipsum is that it has a more-or-less normal distribution of letters, as opposed to using 'Content here, content here', making it look like readable English.
