

**EASTERN REGIONAL INTERSTATE CHILD SUPPORT ASSOCIATION
INTERGOVERNMENTAL IMPROVEMENT COMMITTEE**

January 8, 2016

MINUTES

Attendees: Patrick Quinn, Wendy Lynch, Rob Velcoff, Keith Baker, Carla Szalewicz

- 1) The committee approved the November 6, 2015 and December 4, 2015 minutes.
- 2) The committee continued to review the “new look” of the Intergovernmental tools section of the ERICSA website. It is now “grouped” correctly. The recommended articles to be archived are at the bottom of the list. The committee was tasked with taking one last look at site, should any other articles be earmarked to be archived. Patrick will discuss “next steps” with Technology committee
- 3) The committee reviewed the draft introductory “blurb” prepared by Patrick and made some suggestions. Committee will review final draft at February meeting.
- 4) 1996 vs. 2008 UIFSA –

The committee is still in search of a good treatise or article outlining the difference between UIFSA 1996 and 2008. Rob will send out a possibility which he believes may be a power point for review by the committee.
- 5) The updated list of states that accept direct IWO’s unemployment and worker’s compensation is deferred until Boolie is able to join the meeting.
- 6) System impact analysis attendant to UIFSA 2008 –

The committee agreed to keep this as an “open” agenda item as we look out for this type of thing.
 - Another example was discussed. Specifically, that 3 copies of documents and document notarization are no longer needed/required.

- 7) Update on New Jersey age of emancipation law.
- 8) Other agenda items?
- 9) Next meeting date approved: Friday, February 5, 2016 @ 12:15 pm E.T.

Respectfully submitted,

Patrick W. Quinn, Chair
