

EASTERN REGIONAL INTERSTATE CHILD SUPPORT ASSOCIATION
INTERGOVERNMENTAL IMPROVEMENT COMMITTEE

November 6, 2015

MINUTES

Attendees: Patrick Quinn, Lara Fors, Wendy Lynch, Rob Velcoff, Keith Baker, Carla Szalewicz

- 1) The Minutes of the September 4, 2015 meeting were approved unanimously.
- 2) The group reviewed and discussed the “new look” of the website. There was support for the current look as it was changed to having its own “tab”/section. Patrick Quinn was charged with developing an “introductory” paragraph to the Intergovernmental Section of the website as recommended by the Technology Committee. Carla Szalewicz will work with our new vendor to develop the Archive Section and determine which current “articles” should be moved there.
- 3) The committee was informed that the ERICSA Board of Directors does not support making state specific “downloadable” forms available on the website. The feeling was that the responsibility for updating the forms would fall to ERICSA and that would be very difficult to regularly accomplish. The Board would support a link to state sites that contained downloadable forms.
- 4) The committee is still in search of a “good” treatise or article which outlines and discusses the differences between 1996 and 2008 UIFSA. To date, we haven’t found one.
- 5) The updated list of states that accept direct income withholding orders on unemployment and workers’ compensation was deferred to the December meeting so that Boolie can report.
- 6) Rob will review and update the posted “Helpful websites related to International child support” for next meeting.

- 7) There was considerable discussion about how to chronicle system impacts of the change to UIFSA 2008. A good example is the Texas interpretation of UIFSA 2008 which permits it to issue an IWO to an employer directing that payments be sent to SDU other than Texas.
- 8) Next meeting: Friday, December 4, 2015 @ 12:15 pm E.T.

Respectfully submitted,

Patrick W. Quinn, Chair
