

2025 – 2026 ERICSA Member Committee Interest Form

Yes, fellow ERICSA members, it's that time again. We are asking you to consider joining at least one committee for the 2025-26 Board year. Below you will find a list of the committees which are open to ERICSA members who are not members of the Board of Directors. A description of each standing committee may be found using this [link](#) to our website. Please indicate your preference for Committee service below. If you selected multiple committees, please rank them in order of preference, although it is likely you will be asked to join all your choices. I am looking forward to working with all of you and getting to know you a little better during the upcoming year. Please remember, to be eligible to serve on a committee, you need to be an ERICSA member. If you were unable to attend our conference this year, you can still join by paying the \$75.00 membership fee, which will also enable you to attend the Intergovernmental Training Event to be held in October. To sign up to become a member, please [click here](#).

Please return to Nicholas Palos by June 30, 2025, at npalos@nycourts.gov.
