00:52:32 Jen Coates: I can hear all

00:52:37 Jenn Perron: I can hear all.

00:52:39 Jordyn Eckert: I can hear Heather. I'm unsure what is
happening to you all.

00:52:50 Diana Cordova: I cannot hear Heather Lutz only the
others yes.

00:53:00 Shelley Caldwell: I am unable to hear

00:53:03 Kelly Barum, Special Assistant Prosecuting Attorney:
I can hear all.

00:53:05 Denise Beasley: It's just Heather

00:54:29 SXA84J: would proof be needed for #5?

00:54:43 Michele Sauers: It will not allow me to open and/or
download the powerpoint presentation

00:54:50 Letha Adams: Our legal unit will hardly do long arm cases.

00:54:50 Petrina Travers: Make sure you put your questions for the speakers into the Q&A

00:54:52 Diana Cordova: I left the meeting and came back now I can hear Heather

00:55:31 Jordyn Eckert: The Q&A is gray and I cannot click on it.

00:56:57 Corrina: @michelesauers The presentation is located here, can you open it from the website? <https://ericsa.org/2025/07/30/august-2025-intergovernmental-webinar/>

00:57:36 CRISTINA S: I had to save the document first to be able to open it.

00:57:37 Sarah: Yes, can access slides via link. Thanks!!

00:58:26 welliverm: thank you this works

00:58:40 Jody Di Mitri, SP0: thank you that link worked!

00:58:40 Amanda Steele - Muskegon Family Court Staff Attorney: I would say, just signing that you accepted service of a Summons & Complaint is NOT responsive document accepting long-arm jurisdiction. It would have to be an Answer to the Complaint or a specific document that states that are agreeing to your state's jurisdiction.

00:59:49 Michele Sauers: Thank you! That link worked.

01:01:38 daryl.reese: Putative Father link did not work.

01:01:39 Dora Chappa - Sheboygan County CSA: Can you please put that link in the chat?

01:01:53 Jennifer Johnson: Please share the link

01:02:00 KLivingston: <https://adoptioncouncil.org/resources-and-training/important-adoption-laws/putative-father-registries-state-by-state/>

01:02:02 Jennifer Walley: Putative Father link does not work

01:02:09 Petrina Travers: <https://adoptioncouncil.org/resources-and-training/important-adoption-laws/putative-father-registries-state-by-state/>

01:02:44 KLivingston: You might need to try a different browser maybe? It is working for me in Microsoft edge.

01:03:16 Jennifer Walley: does not work in my Edge but link in this chat did work.

01:06:20 Elisabeth Westwood: In Utah child support workers can access the punitive father's database

01:09:09 jcicchetti: Long Arm is always better for me as UIFSA is always a problem

01:10:14 Margaret Garsow, Vilas County: Can't download the M0 EOA and Waiver

01:11:42 Michele Sauers: Cannot download the M0 EOA and Waiver either

01:12:12 Petrina Travers: the M0 EOA and Waiver also be available with the recording after the webinar

01:12:44 Petrina Travers: there are 5 questions,

remember to scroll down

01:12:48 avonhendricks: what if your state doesn't long arm?

01:13:22 welliverm: the pdf attachments do not seem to be working

01:13:47 BrunkA: 😞

01:14:10 Jason: No names, but what about their SSNs? LOL

01:14:30 Ginni.Lavely: poll best worse only related to teh T3?

01:15:04 Petrina Travers: yes- just related to T3

01:15:26 Christopher Garling: FL also uses the T3 to redirect payments as well. that is what I use it the most for.

01:16:13 Michele Sauers: FL is definitely known for using T3 for redirection of payments

01:16:32 Sarah: We have used T#3s to ask state level for death certificate to get only proof of death.

01:16:32 jacwilliams: In some instances the request for certified orders was not successful. Responding agency provided copies. Request made multiple times. Resorted to providing an example of phrase in the attesting statement. In other instances was forced to contact the court clerk directly.

01:16:40 Petrina Travers: all of the documents I've attached will be available after the webinar if you are having trouble accessing them

01:16:47 Jennifer Walley: I've never had a request to redirect payments with a T3, always used a T1

01:17:00 KLivingston: I've always used a trans 1 for redirect as well

01:17:21 Lurdes Albarran: We can only use Trans 1 for redirect.

01:17:21 avonhendricks: yes, I use a T1 for redirection of payments

01:17:35 Amy Colm: PA will not accept the T3 for a redirection; if we get that, we are sending it back and asking for a T1.

01:18:03 Johanna.Quattrucci: RI requests a T-1 for redirection

01:18:06 Ashley G.: Wisconsin would also not accept a T3 for redirection of payments

01:18:06 Robin.Elliott: TR#1 is appropriate document for redirection in payments...been using it for 26 yrs.

01:18:14 jervang: SJ County, CA we require T1 for redirect. We do not accept T3 for redirect.

01:18:16 RAKESB01: We request a T-1 as well.

01:18:16 CRISTINA S: NJ will also prefer a Transmittal 1

01:18:16 Jenn Perron: We always call the other state to confirm service process and cost before we send the T3 and then send the check with it to speed the process

01:18:19 jacwilliams: It would be great if the FCR interface would report the state in which the order was issued.

01:18:20 Ebony Foster: I used a t1, was use recently told i

need to sent a uifsa packet over

01:18:32 Kamisha Moore: Yes, I've used a T3 requesting a court order

01:18:47 CSP759: There is a good resource on page 3 and 4 of a Trans #3 that explains what it is for and provides best practices.

01:18:59 Summer Lindsey: In Georgia, we have to get a cost for service so it can be pre-approved and a check cut for pre-pay.

01:19:11 TBloome: Manatee CO, FL We use Trans 1 for redirection as we need to file to obtain a DEPO number

01:20:24 dex0902: YES PLEASE!!!

01:20:27 avonhendricks: me up

01:20:29 epecka: 100% would be a good training!

01:20:36 avonhendricks: sign me up

01:20:39 Jody Di Mitri, SP0: yes redirection

01:20:43 eric.thornton1: 👍

01:20:45 shansen1: 😊

01:20:57 RodriE1: yes tribes will use this, but every tribe is different

01:20:57 Alyssa Wido: absolutely!

01:21:01 TBloome: 😊

01:21:01 Leina Blood: Yes, thank you.

01:21:21 Jennifer Walley: Generally --

01:21:21 Ginni.Lavely: Yes a T1, T2, T3 training would be great - various responses from diff states depending on what is being requested. Clarification on the correct form would be awesome!

01:21:39 epecka: 100

01:21:45 LaJuana M. Richards: I agree....

01:22:18 LaRhonda Colson: that would be quite helpful

01:22:23 Robin.Elliott: TR#1 is informing the responding state what the initiating state is seeking. And there used to be a page 3 that the responding jurisdiction would return to the initiating jurisdiction acknowledging receipt of request.

01:22:38 Jennifer Walley: generally a T3 is to collect info - get cert copies of orders, ask quick locate, etc,,,,,,,,, T1 is for UIFSA action/request,,,,,, T2 is for general talk/info stuff

01:22:56 TBloome: 👍

01:24:07 calina him: Question for Navajo Nation: Can NCP be personally served by non-tribal child support agency process server if he/she resides on Navajo reservation with Navajo Housing Authority?

01:24:19 Amanda Steele - Muskegon Family Court Staff Attorney: Hope that we can view each other as on the same team and that fees would not be required!

01:25:24 Kamisha Moore: T1 is always requesting an action, T2 is status (commonly used), T3 is used for discovery, req court orders, or documentation from other states

01:25:35 Rachel Woodall, Title IV-D Child Support Attorney:

I'm guessing I wasn't told this began at 2pm Eastern time rather than Central. Sorry to pop in so late.

01:25:40 jacwilliams: Please explain in your presentation of submitting the correct transmittal the importance of submitting the transmittal to the correct OSA, FIPS Code and identify when the parties in your case are not an exact match to the case in the responding state.

01:27:07 Angela Hamlett: And you would not terminate income withholding typically anyway, pursue closure when collections are not interrupted

01:27:27 Robin.Elliott: Enforcement Weirdness!!!!Great title for a webinar?

01:28:32 sugsmith: Thank you this is very informative. Have a great afternoon!

01:28:43 Jason: For that FL question, just get the DOR involved.

01:28:47 TBloome: The requesting state must provide orders and pay history with the UIFSA

01:29:00 Beth: I'm the order State but no parties are in my State!!! CP who lives in another State asked for our services? AP also lives in another State! Can I long arm?
